## GillyMac Christmas Bobble Pouches Templates

These great bags are half-bag and half-pouches. They are really popular to make and once you've made one, you'll want to make lots!!

The GillyMac Bobble Pouches come in 3 sizes. The finished sizes are small (4 ½" x 6" when folded) , medium (8" x 6 ½" when folded) and large (9 ¾" x 8 ½" when folded). These sizes will change a little if you decide to make them with a flat base (the second extension idea at the end of the video).

### What You Need

- 2 pieces of exterior main fabric using the templates provided
- 2 pieces of exterior contrasting fabric for the top of the pouch using the templates provided
- 2 pieces of lining fabric using the template provided
- 2 pieces of lightweight interfacing cut using the lining template
- Button
- Hair Bobble
- Threads of co-ordinating colours or white
- Sellotape to join templates
- Metallic Thread (for Extension 1 in Video)
- 0.5m Stitch and Tear (for Extension 1 in Video)

### Making Up the Templates

Some of the templates need to sellotaped together before fabric can be cut out.

For the Small Bobble Bag, all the templates can be cut out without any joins

For the Medium Bobble Bag, the lining fabric template needs to be joined as follows

*Lining Fabric Template*

For the Large Bobble Bag, the all the fabric templates need to be joined as follows

*Main Fabric Template*

*Contrasting Fabric Template*

*Lining Fabric Template*

### Spacing of Decorative Sewing on Contrasting Fabrics

Draw lines with a removable marker on the front of the contrasting fabric at these distances from the top edge and sew your decorative stitches over them.

#### Small Bobble Bag

#### Medium Bobble Bag

## Large Bobble Bag

### Making the Flat Bottom Bases (Medium & Large Bags Only) – Extension Suggestion No. 2

Cut away the bottom corners of the main piece and lining as indicated in the templates and complete the bottom corners as shown in the video.

All other instructions are in the video. Don't forget to send us a picture of your finished item at [mail@gillymacdesigns.com](mailto:mail@gillymacdesigns.com) or post a picture on the GillyMac Design Facebook page or tag us on Instagram or Twitter using #gillymacdesigns.
