fat quarter (20" x 18") of interior fabric
scraps of fabric for eyes and nose
wool for tail and small piece of cardboard*

love Sewing
LOVE JANOME

1. Create the template by joining pieces together.
2. From the template cut (2) from External Fabric and (2) from Lining Fabric
3. With one lining piece and one external piece right sides together sew the ear parts from A to C via B. Repeat this for the other external and lining pieces. All sewing is with a 1/4" seam allowance.
4. Open out each sewn piece and lay them right sides together, with lining on top of lining and exterior on top of exterior. See diagram.
5. Turn right sides out and finish turning gap.

Lay the two sewn pieces right sides together. The ears will be inside out and sew on the red around the outside, leaving a turning gap in the lining.
